

## **FIU-2501 Student Conduct and Honor Code**

**Effective August 1, 2019**

As an academic community, Florida International University (FIU) fosters the intellectual exchange of ideas, knowledge, and experience. It is the responsibility of the University to provide a safe and stimulating environment in which scholarship and personal growth may occur. The desired effect is that Students will take advantage of this environment to develop intellectually as well as to participate as responsible, contributing citizens of our community. Being a contributing Student also comes with responsibility to adhere to the Student Conduct and Honor Code (Code). The ultimate responsibility for knowing University requirements and regulations rests with the Student, regardless of institutional or program affiliation. Nothing in this Regulation should be interpreted to abridge the right of any member of the University community of rights granted under the United States or Florida Constitution and/or any other applicable law including, but not limited to, the freedom of expression protected by the First Amendment. Those charged with and found Responsible for violations of the Code will be subject to appropriate action as outlined herein. For the most Code, please refer to the website of the Office of Student Conduct & Conflict Resolution (SCCR) at [conduct.fiu.edu](http://conduct.fiu.edu).

Undergraduate, Graduate, and Professional Students at FIU are expected to adhere to the highest standards of integrity in every aspect of their lives. Honesty in academic matters is part of this obligation. Academic integrity is the adherence to those special values regarding life and work in an academic community. Code violations may lead to suspension or expulsion from the University if a determination of responsibility has been made. These sanctions will be determined based on severity of incident and prior violations of the Code.

The safety and well-being of our community is the University's foremost concern. FIU has zero tolerance for acts that compromise the safety and well-being of members of the University community. It is the policy of the University that acts of harassment and violence will not be tolerated. Any act of intimidation, threat of violence, or act of violence committed against other members of the University when committed within the jurisdiction of the Code is prohibited. Any Student or Student Organization found responsible for a violation of this standard will be subject to discipline up to and including expulsion pursuant to the Code. Code violations in the following list may lead to suspension or expulsion from the University if a determination of responsibility has been made:

- Drug distribution and/or sales (Section 5(g)(2))
- Endangerment (Section 5(h))
- Hazing (Section 5(m))
- Sexual misconduct (Section 5(s))
- Stalking (Section 5(u))
- Weapons (Section 5(z))

- b. **Advisor:** Any person chosen by the Charged Student, Charged Student Organization, or the Complainant to assist throughout the Student Conduct and/or Academic Misconduct processes (e.g., faculty, staff, parent/guardian, attorney, friend, alumni, or any other person who is not a Witness in the process).
- c. **Business Day:** A day when the University is open for regular business operations from 8:00 am up to 5:00 pm Eastern Time. For emailed correspondence, the day of delivery is not included in a designated time period.
- d. **Character Witness Statement:** A statement relating to the general character and reputation of the person.
- e. **Charge:** The written statement of the alleged violations of the Code.
- f. **Charged Student:** Any Student who has been charged with an alleged violation of the Code.
- g. **Coercion:** Conduct, intimidation, and/or expressed or implied threats of physical, emotional, financial, or any other type of harm that would reasonably place an individual in fear of immediate or future harm and that is employed to force or compel someone to engage in sexual contact or any other type of involuntary conduct, especially conduct which would endanger or be detrimental to the Complainant. Examples of Coercion include:
  - Causing the deliberate Incapacitation (see below for definition) of another person;
  - Conditioning an academic benefit or employment advantage;
  - Threatening to harm oneself if the other party does not engage in sexual contact; or
  - Threatening to disclose an individual's sexual orientation, gender identity, gender expression, or other personal or sensitive information if the other party does not engage in the sexual contact or takes actions involuntarily.
- h. **Complainant:** Any individual who may have been the subject of any Sexual Misconduct, Dating or Domestic Partner Violence, and/or Stalking by the Charged Student regardless of whether the individual makes a report.
- i. **Consent:** A clear, knowing, and voluntary agreement to engage in specific sexual activity at the time of the activity. Consent can be communicated by words or actions as long as those words or actions create mutually understandable permission regarding willingness to engage in (and the conditions of) sexual activity. Consent must be ongoing throughout the sexual activity and can be withdrawn at any time. Sexual contact must cease immediately once withdrawal of consent is clearly communicated.
  - Consent must be active, not passive.
  - Lack of protest or resistance does not mean consent has been granted, nor does silence mean consent has been granted.
  - Within each sexual encounter, there may be separate individual sexual acts involved, and consent to one act and/or person(s) by itself does not constitute consent to another act and/or person(s).
  - The existence of a dating relationship between the persons involved, or the fact of past sexual relations, should never, by itself, be assumed to be an indicator of consent for any current or future sexual encounter even in the context of a relationship, there must be mutual consent.

- If coercion or force is used, there is no consent.
- If a person is incapacitated so that the person cannot understand the fact, nature or extent of the sexual situation, there is no consent. This may be affected by conditions due to age, alcohol or drug consumption, unconsciousness, being asleep, physical or developmental disabilities.
- Whether one has taken advantage of a position of influence over another can be a factor in determining whether there was consent.
- In order to give consent, one must be of legal age.
- The question of what the Charged Student should have known as to whether the Complainant was Incapacitated is objectively based on what a reasonable person, sober and/or exercising good judgment, would have known about the condition of the Complainant.

- j. **Dating or Domestic Partner Violence:** Any instance of violence or abuse (verbal, physical, or psychological) that occurs between those who are in, or have been in, an intimate relationship with each other.
- k. **Final Agency Action:** The written decision resulting from the Student Conduct and/or Academic Misconduct processes which finally determines the rights or obligations of the Charged Student or Student Organization.

- Although hazing is typically related to a person's initiation or admission into, or affiliation with a Student Organization, athletic team (intramural, club or intercollegiate), extracurricular activity or any other University group or organization, it is not necessary to have direct proof that a person's initiation or continued membership is contingent upon participation in the activity for a charge of hazing to be upheld.
- The actions of active, prospective, former, or associate members (pledges) of a Student organization may be considered hazing. Organizational leaders who plan a hazing event will be held Responsible even if not in attendance at an event where the hazing occurs.
- m. **Hearing Body:** Student Conduct hearings consist of a Hearing Officer or, if a Student Conduct Committee, two (2) Students, a faculty/staff member, and a non-voting Hearing Officer. Academic Misconduct hearings consist of a Hearing Officer or, if a Student Conduct Committee, three (3) Students, and two (2) full-time faculty members, and a non-voting Hearing Officer. Title IX hearings shall be conducted by a University official or panel of University officials, except a committee or panel where students comprise at least one-half of the membership may be provided if requested by the Charged Student and no objection is raised by the Complainant.

## **2. JURISDICTION**

- a. Each Student shall be responsible for their conduct from the time that he/she has been notified of admission through the actual awarding of a degree, including the academic year and during periods between terms of actual enrollment. The Code shall apply to a Student's conduct even if the Student withdraws from the University, while a conduct matter is pending, or if the conduct is not discovered until after a Student has withdrawn or a degree has been awarded.
- b. Jurisdiction under the Code applies to the conduct of any Student or Student Organization that occurs on University Premises or On-Campus Housing, at University-related activities/events, on all locations where a University course,

- program, or activity is being conducted, including foreign locations, such as study abroad programs.
- c. The University reserves the right to impose discipline based on off-campus conduct, including Academic Misconduct. Discipline for off-campus conduct may be pursued under the Code if:
    - The off-campus conduct is specifically prohibited by law or the Code;
    - The off-campus conduct demonstrates that the continued presence of the Student on campus presents a danger to the health, safety, or welfare of the University community, is disruptive to the orderly conduct, processes and functions of the University, is contrary to the University's mission, or is intimidating or threatening to the University community or member of the University community; or
    - The off-campus conduct has continuing adverse effects on the campus.
  - d. A conduct proceeding is not a criminal or judicial proceeding. It is designed to address the Charged Student's behavior, whether on or off-campus; therefore, alleged violations of the Code will be addressed independently of any criminal or judicial proceeding and regardless of whether the criminal charges have been dismissed or reduced to a lesser offense.
  - e. The Code does not address:
    - Issues related to research misconduct. Resolutions of issues related to research misconduct must be addressed using the University Research Misconduct policy; or,
    - Issues related to professional misconduct. Resolutions of issues related to professional misconduct must be addressed at the school or college level.

### **3. AUTHORITY**

- a. The Board of Trustees of Florida International University has been charged with the responsibility of, and authority for, providing a Student conduct system. Authority for Student discipline and the Student conduct system rests with the University President. Although the University President holds the ultimate authority for Student discipline, this authority is delegated to the Senior Vice President for Academic & Student Affairs, who is responsible for implementing the Student disciplinary system. The Senior Vice President for Academic & Student Affairs delegates authority for the execution and implementation of the Student Code of Conduct to the SCCR Director.
- b. The requirements and procedures in the Student Code of Conduct may be revised. Those revisions may occur in order to serve the needs of the University Students, faculty and/or staff where safety and security issues so demand. In addition, those revisions may occur in circumstances where, in the University's sole discretion, the requirements and procedures described herein are deemed insufficient to meet the objectives of educating and protecting the members of the University community and/or to respond to changes in the law. Nothing in this Code shall be construed as preventing the University President from taking any action which may be deemed necessary to meet the goals of this Code. In matters involving charges for drug distribution and/or sales (Section 5(g)(2)), endangerment (Section 5(h)), hazing (Section 5(m)), sexual misconduct (Section 5(s)), stalking

- (Section 5(v)), and weapons (Section 5(z)) the President may change the outcome and/or sanctions to fulfill requirements of the Code as outlined in Section 18.
- c. The Hearing Body is authorized by the Senior Vice President for Academic & Student Affairs or designee to conduct Student Conduct hearings as set forth in this Code.
  - d. Decisions of the Hearing Body constitute Final Agency Action unless there is a timely appeal. If a decision is timely appealed, the decision of the appellate body constitutes Final Agency Action.
  - e. The Hearing Body is authorized to conduct Student Conduct hearings as follows:
    - The Office of SCCR may conduct Summary Resolutions, Administrative Hearings and Student Conduct Committee Hearings as set forth in this Code.
    - The Department of Housing and Residential Life (HRL) may conduct both Summary Resolutions and Administrative Hearings regarding cases involving Conduct violations arising in On-Campus Housing. HRL is not authorized to conduct Summary Resolutions and Administrative Hearings regarding cases involving Academic Misconduct violations or Student Conduct Committee hearings. HRL cases may be referred to the SCCR.
    - In cases where conduct involves both potential Conduct and Academic Misconduct violations, the SCCR Director (or designee) has the authority to handle both matters simultaneously through a joint hearing. If a Student is found Responsible for simultaneous Conduct and Academic Misconduct violations, sanctions from both processes may be imposed.

#### **4. AMNESTY**

The University encourages Students to seek medical assistance and/or report sexual misconduct and hazing, but it recognizes that they may be hesitant to make a call or report when they:

- a. Need Immediate Medical Assistance due to their own use of alcohol/drugs,
  - b. Witness another Student who needs Immediate Medical Assistance due to alcohol/drugs and they may have used alcohol/drugs themselves,
  - c. Want to report sexual misconduct, but they themselves (or Witnesses they identify) may have used alcohol/drugs, or
  - d. Were present at an event where, as a result of hazing, a person appeared to be in need of Immediate Medical Assistance.

Allowing, permitting, or providing an opportunity for a guest to violate University policy is also prohibited. These violations are included in each section below and need not be cited separately. Lack of familiarity with University policy is not a defense to a violation of this Code. Unless specifically noted, intent is not a required element to establish a policy violation. Additionally, intoxication or impairment caused by use or consumption of alcohol, drugs, or other substances is not a defense to a violation of this Code.

The following conduct violations or any attempt to violate the Code will be used in charging all Students or Student Organizations.

  2. If a Charged Student or Student Organization fails to attend a scheduled information session, the Charged Student or Student Organization will be deemed to have waived their right to an information session. Undergraduate, graduate, and professional Student members will be recruited and selected through SCCR's formal SCC recruitment and selection process. All members of the SCC will be trained by SCCR. In cases where the Charged Student is an undergraduate, every effort will be made to select undergraduate Student representatives for the SCC. In cases where the Charged Student is a graduate or professional Student, every effort will be made to select graduate or professional student representatives for the SCC. For Academic Misconduct violations, the committee must include two full-time faculty members, and if the Charged Student is a graduate or

- k. Deliberation by the Hearing Body is held outside the presence of the Charged Student for all hearing, and Instructor, for hearings involving Academic Misconduct violations.

- l. Prior Student Conduct and Academic Misconduct records, Character Witness Statements and/or Impact Statements are considered only in determining the appropriate sanction(s).
- m. In Code hearings, the SCC will make a recommendation of the decision and sanctions to the Hearing Officer. The Hearing Officer may take one of these actions with respect to the recommendation:
  - Adopt
  - Modify
  - Reject the findings and sanctions, or
  - Remand for a rehearing.

If the Committee decision is not adopted, the Hearing Officer will include the reasons for any differences between the recommendations of the Committee and the Hearing Officer's final decision as part of the decision letter.

- n. A decision letter will be sent to the Charged Student or Student Organization within fourteen (14) Business Days from the conclusion of the Hearing Body's deliberation. The hearing decision will include the decision, sanctions imposed (if applicable) and the explanation of the right to appeal. For Academic Misconduct violations, the written decision will also be sent to the Instructor.
- o. This Regulation acknowledges the Instructor authority to award Student grades. If the Student is found "Not Responsible" for alleged violations of Academic Misconduct, the faculty member should reinstate the grade the Student would have received if the misconduct charges were not submitted and any reduction in grade should be based on the Student's quality of work and not an allegation of Academic Misconduct.

#### **14. TITLE IX PROCEDURES**

The University's Title IX Coordinator has designated the SCCR Director to serve as Deputy Title IX Coordinator. It is the responsibility of the Title IX Coordinator and Deputy Title IX Coordinator to ensure that the process relating to alleged Title IX/Violence Against Women Act (VAWA) violations is reliable, impartial, thorough, prompt and conducted in an equitable manner. The general Code procedures are tailored for the investigation and resolution of reported violations of the University prohibitions against Sexual Misconduct, Dating or Domestic Partner Violence, Stalking and/or Retaliation. These tailored procedures require equitable access for both a Complainant and Charged Student as well as notice requirements and other considerations.

- a. **Prohibited Conduct:** Title IX cases include prohibited conduct listed in Section 5. e (Dating or Domestic Partner Violence), 5.r (Retaliation), 5.s (Sexual Misconduct), and 5.u (Stalking).
- b. **Pre-Hearing Procedures**
  1. **Investigations:** If the SCCR Director determines that an investigation is necessary into the alleged violations, the procedures below will be followed. All fact finding will occur during the investigation stage prior to the hearing. There will be no additional documents or testimony presented at the hearing.
    - i. The SCCR Director will select a trained investigator(s) to gather sufficient evidence to reach a fair, impartial determination as to whether there is enough information to move forward with charging a student with a violation of the

- Code based on the preponderance of the evidence. The investigator(s) will be trained to gather and document the available evidence to support reliable decisions, synthesize all available evidence (including both supportive and non-supportive evidence) and take into account the unique and complex circumstances of each case.
- ii. The SCCR Director will select investigator(s) who are free of actual or reasonably perceived conflicts of interest and biases for or against any party. The Charged Student or Complainant may raise any concerns about bias or conflict of interests within three (3) business days to the SCCR Director.
  - 2. **The Notice of Investigation:** Prior to the initial investigation meeting, the SCCR Director will send to the Charged Student and Complainant written notice about the allegations constituting a potential violation of the Code in order for the parties to prepare for meaningful participation in the investigation.
  - 3. **Investigative Procedures:** During an investigation, the investigator(s) will seek to meet separately with the Complainant, the Charged Student, and any Witnesses. Witnesses are individuals who may have information relevant to the incident, including individuals who may have observed the acts in question, may be able to provide contextual information or may have other information related to the incident, the disclosure, or related matters. Character witness statements will not be considered by the investigator(s). The investigator(s) will also gather other relevant information or evidence, including documents, photographs, communications between the parties, medical records (subject to the consent of the applicable person) and other electronic records as appropriate. The investigator(s), not the parties, are responsible for gathering relevant evidence to the extent reasonably possible. Both the Complainant and Charged Student are encouraged to promptly submit any relevant information, including Witnesses' names. If a party declines to provide relevant information, the University's ability to conduct a prompt, thorough and equitable investigation may be impaired.
  - 4. **Prior Sexual History:** The sexual history of the Complainant and/or the Charged Student will never be used to prove character or reputation. Evidence related to the prior sexual history of the parties is generally not used in determining whether a violation of this Code has occurred and will only be considered under limited circumstances. For example, prior sexual history may be relevant to explain injury, to provide proof of a pattern or to address another specific issue raised in the investigation. The investigator(s) will determine the relevance of this information, and both parties will be informed if evidence of prior or subsequent conduct is deemed relevant.
  - 5. **Written Investigation Report:** Upon conclusion of the investigation, the investigator(s) will prepare a written report summarizing the relevant information which will include any evidence and/or a list of Witnesses that are supportive or not supportive of a violation. The Charged Student, the Complainant and/or any Witnesses will have the opportunity to review the report before it becomes final. Upon notice of the availability of the investigation report, the Charged Student and the Complainant will have five (5) Business Days to:
    - i. Meet again with the investigator,
    - ii. Provide written comment or feedback on the facts as gathered,

- iii. Submit additional information, and/or
  - iv. Identify additional Witnesses and/or request the collection of other information by the investigator.
  - v. If any party provides a written response or makes a request for additional information, the content will be shared as appropriate and incorporated in the final investigation report. Participation in this iterative process is important given that the investigation report will be the only evidence submitted at the Hearing. Once the investigation report is final, a redacted copy will be provided to the Charged Student and Complainant at the same time. This report will be used in the hearing. Unless there are extenuating circumstances, information not provided by any party during the investigation or not included in the report will not be permitted to be introduced at the hearing.
6. **Charge Letter:** At the time of issuing the charge letter to the Charged Student, the Complainant will also be notified of the charges and be offered an Information Session.
- c. **Due Process Rights of The Complainant:**
    1. Reasonable, written notice of the Code charge and the allegations upon which the charge is based.
    2. A fair and impartial hearing.
    3. Accompaniment by an Advisor of their choosing and expense at any time during the Student Conduct process.
    4. The opportunity to review all relevant information to be used in their Student Conduct process prior to the hearing.
    5. The ability to participate in the Student Conduct hearing either physically or by contemporaneous alternative means (e.g., Skype, phone).
    6. Not to provide self-incriminating testimony. (This right does not apply to Student Organizations.)
    7. Receive notification of the decision of the Hearing Body in writing within fourteen (14) Business Days of the hearing.
    8. Appeal the decision via the process established by the University.
    9. In addition to these due process rights, the Complainant has the same responsibilities as those provided by the Code to the Charged Student.
  - d. **Due Process Rights of the Charged Student:** See Section 10
  - e. **Hearing Notifications:** At the time of issuing the hearing notice to the Charged Student, the Complainant will also be notified of the hearing.
  - f. **Hearing Procedures:**
    1. Hearing: To avoid re-victimizing the Charged Student and/or Complainant by having to retell their version of the events, the University determined that the traditional hearing should not be used for Title IX cases.
    2. The Hearing Body, the Charged Student, and the Complainant will be given the final redacted investigation report at least three (3) Business Days prior to the hearing. During the hearing, the investigator(s) will provide a summary statement of

- the final investigation report. The Hearing Body, the Charged Student and the Complainant may ask questions about the report.
3. During the hearing, the Hearing Officer presides over the Student Conduct hearing and makes all procedural decisions.
  4. The burden of proof in a hearing rests with the University. The standard of proof is a Preponderance of the Evidence. The determination of “Responsible” or “Not Responsible” will be based solely on the investigation report.
  5. Formal rules of process, procedure and/or technical rules of evidence (including rules regarding hearsay) applicable in the criminal or civil court process are not used in this hearing.
  6. The hearing will be recorded. The recording will serve as the only official record of the proceedings. No other recordings are permitted.
  7. If the Charged Student or Complainant fail to appear at the scheduled hearing, the hearing will be held and a decision will be rendered in their absence.
  8. The Hearing Officer has the discretion to determine the order of the hearing which may involve the following:
    - i. Introductory statement by Hearing Officer including a reading of the allegations and charge(s), introduction of information that is the basis for the charges and identification of the hearing participants.
    - ii. Statement, if any, by the Charged Student. This is intended to be a concise statement to identify key facts and questions for the Hearing Body; it is not intended to be a full recounting of the incident.
    - iii. Statement, if any, by the Complainant. This is intended to be a concise statement to identify key facts and questions for the Hearing Body; it is not intended to be a full recounting of the incident.
    - iv. Summary of the relevant portions of the final investigation report by the investigator.
    - v. Relevant questions directed to the Charged Student, Complainant and/or investigator(s) by the Hearing Body. The purpose of these questions is to clarify information in the final investigation report. Any party may also request that the Hearing Body pose relevant questions of the other party concerning clarifications about information in the final investigation report. The Hearing Officer makes the determination whether any question is relevant and will be asked.
    - vi. Final statement by the Charged Student.
    - vii. Final statement by the Complainant.
    - viii. Hearing Officer brings hearing to closure.
  9. Deliberation by the Hearing Body is not part of the hearing.
  10. Prior Student Conduct records, Character Witness Statements and/or Impact Statements are considered only in determining the appropriate sanction(s).
  11. In SCC hearings, the Committee will make a recommendation of the decision and sanctions to the Hearing Officer. The Hearing Officer may take one of these actions with respect to the recommendation:
    - Adopt
    - Modify
    - Reject the findings and sanctions, or

- Remand for a rehearing.

If the Committee decision is not adopted, the Hearing Officer will include the reasons for any differences between the recommendations of the Committee and the Hearing Officer's final decision as part of the decision letter.

12. A decision letter will be sent to the Charged Student and the Complainant on the same day but no later than fourteen (14) Business Days from the conclusion of the Hearing Body's deliberation. The decision will include outcome, the rationale for the outcome, the sanctions and the rationale for the sanctions.
- g. **Interim Suspension:** A Complainant will be notified of the Interim Suspension of the Charged Student and will have the same rights as the Charged Student to participate in the subsequent hearing.
- h. **Appeals:**
  1. The Complainant wishing to appeal must complete the appeal form in full, indicating the basis for the appeal, explain in detail the reasons for the appeal, and attach supporting relevant documentation.
  2. The SCCR will notify the Complainant if the Charged Student appeals, and vice versa. Both parties may submit a written statement within seven (7) Business Days.
  3. The appellate decision is issued in writing to the Charged Student and Complainant within twenty-one (21) Business Days of receipt of the written request for appeal unless notification is given that additional time is necessary for consideration of the record on appeal.

## 15. SANCTIONS

- a. In light of the facts and circumstances of each case, the following sanctions or combination of sanctions (with or without appropriate modifications) will be imposed upon any Charged Student or Student Organization found to have violated the Code. Sanctions will be commensurate with the prohibited conduct with consideration given to any aggravating and mitigating circumstances, including, but not limited to, the Charged Student's or Student Organization's Conduct and Academic Misconduct record. Fees may be associated with certain sanctions (e.g., counseling consultation, online programs) and are the Student's or Student Organization's responsibility.
- b. When an undergraduate Student is found Responsible for Academic Misconduct violations, SCCR will determine any University Sanctions which are not related to a grade or the course in general. The Instructor and Chair (or designee) will recommend Course Sanctions and communicate their recommendation to SCCR. SCCR will then communicate the final outcome to the Student. Should the Instructor fail to provide SCCR with recommended course sanctions within seven (7) Business Days, SCCR may assign Course Sanctions. If the undergraduate Student is a member of the Honors College, SCCR will notify the Dean of the Honors College that a Student was found in violation and ask if the College wishes to invoke any Honors College-level academic action(s). The Dean of the Honors College will determine if Honors College action is necessary. SCCR will be notified within seven (7) Business Days if the Dean recommends additional program action.
- c. When a graduate or professional Student is found Responsible for Academic Misconduct violations, SCCR notifies the Instructor, Dean or designee of the University Graduate or Professional School, and the Dean or designee of the Academic

College in which the graduate or professional Student resides. SCCR will determine any University Sanctions, which are not related to a grade or the course. The Instructor and Dean (or designee) will recommend Course Sanctions and communicate their recommendation to SCCR. Should the Instructor fail to provide SCCR with recommended course sanctions within seven (7) Business Days, SCCR may assign Course Sanctions. The College Dean or designee will in turn notify the graduate or professional program that a Student was found in violation and ask if the program wishes to invoke any program-level academic action(s). The Student's graduate or professional program will determine if program action is necessary. SCCR will be notified within seven (7) business days if the graduate or professional program recommends additional program action. SCCR will then communicate the final outcome to the Student.

- d. In the event the course Instructor is no longer at the University, the Department Chair (or designee) will determine the recommended Course Sanctions.
- e. Sanctions may only be imposed when a Student has been found in violation of the Code. In cases where a Student has been found "Not Responsible" for the alleged violation(s), no sanctions will be assigned.
- f. University Sanctions
  - 1. **Written Reprimand:** the University takes official notice that such actions are inappropriate and not in accordance with our community standards.
  - 2. **Educational Activities:** attendance at in-person and/or online educational program(s)/workshop(s); interview(s) with appropriate officials; written research assignments; behavior reflection papers; planning and implementing educational program(s); or other educational activities.
  - 3. **No Contact Order:** the requirement that the Charged Student and/or friends have no contact with the Complainant. This restriction can be imposed at any time during the Student Conduct process.
  - 4. **Counseling Screening/Consultation:** referral for screening and/or consultation with the University Counseling and Psychological Services (CAPS) (or a licensed psychologist/psychiatrist if the Charged Student is no longer enrolled when sanctioned or is seeking readmission) for alcohol/drug dependence, anger management, general mental health or other counseling issues. Charged Student must follow through with recommendations made by CAPS or the licensed psychologist/psychiatrist, as applicable. The Charged Student must permit the consulting professional to provide official documentation on letterhead verifying attendance and to share the recommendations with the SCCR.
  - 5. **Psychological Evaluation:** referral for an evaluation and recommendation by a licensed psychologist or psychiatrist which may include CAPS. The Charged Student must follow through with any recommendations made by the psychologist or psychiatrist. The Charged Student must permit the professional to provide official documentation on letterhead verifying attendance and share the recommendations with the SCCR.
  - 6. **Restitution:** requirement to reimburse the University or person for damage to or misappropriation of property owned or in possession of the University or other persons. Any such payment on restitution will be limited to actual cost of repair or replacement.

7. **Restrictions/Loss of Privileges:** restrictions or loss of privileges which may be imposed upon a Charged Student for a specified amount of time, including but not limited to, participation in Student activities, University or Student events, representation of the University on athletic teams or in leadership positions, presence at University residence halls or other buildings/areas of campus, participation as a peer advisor, resident assistant or elected/appointed Student leader in Student Government or other Student Organizations, and/or participation in study abroad or alternative break programs. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on their current or potential future activities.
8. **Conduct Probation:** a temporary interruption of the Student's status with the University. A Charged Student who is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities which may include, but are not limited to, being prohibited from participating in study abroad or alternative break, or serving as a peer advisor, resident assistant or elected/appointed Student leader in Student Government or other Student Organizations. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on their current or potential future activities. The conduct probation period is a time for the Charged Student to reflect on their behavior and demonstrate that he/she can once again be a responsible Member of the University community. While on conduct probation, further violations of the Code or other University Policies may result in suspension or expulsion.
9. **Deferred Suspension:** period of time in which suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. A Charged Student who is on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities which may include, but are not limited to, being prohibited from participating in study abroad or alternative break, or serving as a peer advisor, resident assistant or elected/appointed Student leader in Student Government or other Student Organizations. Additional restrictions on University privileges and/or activities may be imposed on the Charged Student based on their current or potential future activities. If the Charged Student fails to fulfill the sanctions described in the decision letter (including failure to timely fulfill the sanction), the Charged Student will no longer be considered on deferred suspension but will be automatically suspended with no further appeal. While on deferred suspension, further violations of the Code or other University Policies may result in suspension or expulsion.
10. **Suspension:** separation from the University for a specified period of time. A Charged Student is considered not in good standing with the University while suspended. The Charged Student may not attend classes (either in person or online) and is banned from being on or in any University Premises or On-Campus Housing. The suspended Charged Student is also banned from participation in any University-sponsored/related event or activity and their FIU OneCard will be deactivated. This sanction is recorded on the Charged Student's academic transcript during the period of suspension. A Charged Student who is suspended from the

University is not eligible for tuition and/or registration fee reimbursement except as provided by University Policies. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

11. **Expulsion:** permanent separation from the University with no possibility of readmission. This sanction is recorded on the Charged Student's academic transcript permanently. A Charged Student is considered not in good standing with the University after being expelled. The Charged Student may not attend classes (either in person or online) and is banned from being on or in any University Premises or On-Campus Housing. The expelled Charged Student is also banned from participation in any University-sponsored/related activity or event and their FIU OneCard will be deactivated. A Charged Student who is expelled from the University is not eligible for tuition nor registration fee reimbursement except as provided by University Policy. The Charged Student will be administratively withdrawn from courses and will lose respective credit hours.

g. **Student Organization Sanctions**

1. **Restrictions/Loss of Privileges (Student Organizations):** for an organization, restrictions or loss of privileges including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions or in campus facilities. This does not affect an individual Student's status with the University or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.
2. **Conduct Probation (Student Organizations):** temporary interruption of the organization's status with the University. An organization that is on conduct probation is considered not in good standing with the University, resulting in applicable restrictions of privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions, or in campus facilities. Further violations of Interfraternity Council (IFC), Panhellenic Council (PC), National Panhellenic Council (NPHC), Wellness & Recreation Center (WRC), or Multicultural Greek Council (MGC) Policies, Code or other University Policies may result in suspension or expulsion of the Charged Student Organization from the University. This does not affect an individual Student's status with the University or attendance at classes unless the individual Student has been charged and sanctioned independently of the Charged Student Organization.
3. **Deferred Suspension (Student Organizations):** period of time in which the organization's suspension is temporarily withheld or withheld pending completion of other sanctions by a specified deadline date. An organization on deferred suspension is considered not in good standing with the University, resulting in applicable restrictions or privileges and/or activities including, but not limited to, participation in or exclusion from Student activities, social events, intramural activities, alcohol functions or in campus facilities. If the organization fails to fulfill the sanctions described in the decision letter (including failure to timely fulfill the sanction), the organization will no longer be considered on deferred suspension but will be automatically suspended with no further appeal. This does not affect an individual Student's status with the University or attendance at classes unless the

individual Student has been charged and sanctioned independent of the Student Organization.

4. **Suspension (Student Organizations):** separation from the University for a specified period of time. An organization while suspended is considered not in good standing with the University. A suspended Organization may not participate in any University activities or events and is not recognized as a University organization during the suspension period. This does not affect an individual Student's status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.
  5. **Expulsion (Student Organizations):** permanent separation from the University with no possibility of re-chartering or re-registering. An organization that has been expelled is considered not in good standing with the University. An expelled organization is not recognized as a University organization and may not participate in any University-sponsored activity or event. This does not affect an individual Student's status with the University, academic area or attendance at classes unless the individual Student has been charged and sanctioned independently of the Student Organization.
- h. **Housing Sanctions**
1. **On-Campus Housing Reassignment:** required change in University residence hall assignment. The Charged Student must move out by the date and time provided and will be responsible for any additional room rental charges for the new Housing assignment.
  2. **On-Campus Housing Probation:** a period of probation for the remainder of the Student's time in On-Campus Housing. Future violation(s) of the Code or other Housing/University policies may result in additional sanctions such as Housing Agreement Termination, University suspension or expulsion. A person on On-Campus Housing Probation is considered not in good standing with University Housing, resulting in applicable restrictions on privileges and/or activities including, but not limited to, ineligibility for Residence Hall Association (RHA) leadership positions and student employment within HRL (including Resident Assistants, Clerical Assistants and Housing Ambassadors).
  3. **Deferred On-Campus Housing Termination:** period of time in which the Charged Student is allowed to continue to reside in On-Campus Housing notwithstanding the fact that, but for the Deferred On-Campus Housing Termination (DOCHT), the Housing Agreement would have been immediately terminated. At the end of the current semester, the current Housing Agreement with the student is effectively terminated and the Student is ineligible to reside in any On-Campus Housing for the remainder of the Student's career at FIU. The Student is also excluded from all On-Campus Housing premises for the remainder of the Student's career at FIU. This exclusion applies to all buildings, grounds and the parking lots surrounding the buildings. If another violation of the Code occurs in the semester while the Charged Student is on DOCHT, the Charged Student's Housing Agreement will be immediately terminated and the remaining sanctions of this provision will apply (i.e., exclusion from housing and premises).

4. **On-Campus Housing Exclusion:** exclusion from On-Campus Housing for the remainder of the Student's career at FIU. This exclusion applies to all buildings, grounds and the parking lots surrounding the buildings.
- i. **Course Sanctions:**
  1. **Grade Penalty on the Assignment/Exam/Project with Resubmission:** A point/grade reduction on the assignment/assessment in question, and with the permission of the Faculty member, an opportunity to resubmit the assignment/assessment with the addition of the implemented point/grade reduction.
  2. **Grade Penalty on the Assignment/Exam/Project:** A point/grade reduction on the assignment/assessment in question.
  3. **Overall Course Grade Penalty with Drop:** Receive a decrease in overall grade or an F for the entire course. However, the Student will be permitted to drop or withdraw the course with approval from the SCCR Director or designee. Requests for drop consideration must be submitted in writing with rationale to the SCCR Director or designee, where the final approval rests and is not eligible for independent appeal outside of the formal conduct appeal process.
  4. **Overall Course Grade Penalty:** Receive a decrease in overall grade or an F for the course. A point/grade reduction for the entire course. There will be no ability to drop or withdraw from the course for any reason.
- j. Violations of the Student Code of Conduct that are motivated by prejudice toward a person or group because of such factors such as race, color, creed, religion, ethnicity, national origin, disability, age, marital status, sex, sexual orientation, sexual identity or expression, pregnancy, genetic information, veteran status or any group/class protected by state or federal law may result in stronger sanctions.
- k. Students who are found "Responsible" for Academic Misconduct violations under the Code are prohibited from using the Grade Forgiveness Policy for the course in which the Academic Misconduct occurred.
- l. Sanctions take immediate effect unless appealed (except for suspensions or expulsions).
- m. Proof of the completion of the sanction(s) must be provided as directed in the decision letter. It is the responsibility of the Charged Student or Student Organization to ensure that such proof is provided by the specified date. Failure of the Charged Student or Student Organization to provide proof by the specified date may result in a charge of failure to comply, which will result in the placement of a Student Conduct hold on a Charged Student's academic records, and suspension if the Charged Student or Student Organization had been on deferred suspension.

## **16. WITHDRAWAL FROM A COURSE PENDING CHARGES OF ACADEMIC MISCONDUCT**

Upon receipt of notification of allegations of Academic Misconduct, a Student can choose to withdraw from the course in question, in accordance with the University policies related to course withdrawal. Students who withdraw from a course will have their ability to register for future semesters temporarily placed on hold until the SCCR Director or designee is assured that the Student is satisfactorily responding to the charges. Students who are found "Responsible" of Academic Misconduct in a course from which they have withdrawn are still eligible to receive the appropriate sanctions (as listed in

Section 15) based on the case and may be reinstated to the course from which they have withdrawn.

## **17. INTERIM SUSPENSION**

Where the Senior Vice President for Academic & Student Affairs or designee determines that the health, safety or welfare of the Charged Student, the Student Organization or University community are in jeopardy or in danger, an interim (temporary) suspension will be imposed. This includes, but is not limited to, sexual misconduct, physical assault, hazing, possession of a firearm or explosives, illegal drug possession and other acts of a similar nature. A Charged Student or Student Organization under Interim Suspension is considered not in good standing with the University, resulting in applicable restrictions on privileges and/or activities. The Charged Student may neither attend nor participate in any classes, including any online components, during this time. The Charged Student or Student Organization is also banned from being on or in any University Premises and/or On-Campus Housing, and from participation in any University-sponsored/related event or activity.

- a. The Charged Student under Interim Suspension shall not be allowed on Campus except with the permission of the SCCR Director.
- b. Once an Interim Suspension is imposed, a hearing must be held within a reasonable time. The Interim Suspension does not replace the regular conduct process, which shall proceed up to and through a hearing, if required.

## **18. PROCESS OF PRESIDENTIAL REVIEW**

- a. The President will notify the SCCR Director within three (3) Business Days of notification of a disciplinary outcome if he/she wishes to review the underlying disciplinary matter. This review will serve as the appeal process for the Charged Student/Student Organization and Complainant (if applicable). Any other appeal process will immediately cease.
- b. No later than one (1) Business Day after the President notifies the SCCR Director and the Appellate Officer, the SCCR Director shall notify the Charged Student/Student Organization and the Complainant (if applicable) of the President's decision to review the underlying disciplinary matter including sanctions. The Charged Student/Student Organization and Complainant (if applicable) may provide the President with any information (including any documents supporting an appeal if not previously submitted) within three (3) Business Days of the SCCR Director's notification.
- c. The President may only consider the information included in the Student Conduct file, any appeals submitted by the Charged Student/Student Organization and Complainant (if applicable), and any information that was not reasonably available at the time of the hearing.
- d. The President shall issue a written decision to the Charged Student/Student Organization, Complainant (if applicable), Appellate Officer, and SCCR Director within fourteen (14) Business Days of notification of a disciplinary outcome. Decisions based on charges involving Hazing (Section (5)(m)) and Sexual Misconduct (Section (5)(s)) will include an explanation for the decision and sanctions. The President's decision constitutes Final Agency Action and will

include notice of the Charged Student/Student Organization's right to appeal to an external judicial forum if the sanction is suspension or expulsion.

## 19. APPEALS

- a. **Appellate Officer:** The appellate officer for all appeals is the Senior Vice President for Academic & Student Affairs or designee.
- b. **Appeal Form/Basis for Appeals:** The Charged Student or Student Organization wishing to appeal must complete the appeal form in full, indicating the basis for the appeal, explain in detail the reasons for the appeal and attach supporting relevant documentation. The burden of proof rests with the person appealing to clearly demonstrate the reason for appeal as set forth below. Appeals are not a re-hearing of the Student Conduct matter but are only a file and/or document review. The reason for the appeal must be based on at least one of the following:
  1. Violations of the appealing party's rights or other failure to follow the Student Conduct procedures that substantially affected the outcome of the initial hearing. Appeals based on this reason will be limited solely to a review of the record of the hearing;
  2. New information which was not available at the time of the hearing and could not have been presented. In addition, the appealing party must show that the new information could have substantially affected the outcome; or
  3. The severity of the sanction is disproportionate to the nature of the Charge(s).
- c. **Appeal Requests:** All appeals must be written and submitted using the appeal form available in the decision letter.
  1. The person wishing to appeal must complete the appeal form in full and send it to the appellate officer for receipt no later than 5:00pm of the seventh (7th) Business Day after the delivery date of the hearing decision letter. If the appeal form is submitted and/or signed by any individual other than the appealing party, it will not be accepted.
  - d. If a hearing decision is not appealed within the timeframe, the original decision becomes Final Agency Action.
- e. **The Charged Student's Status Pending Appeal:**
  1. An appeal has no effect on a Charged Student's status when the sanction was suspension or expulsion. The sanction(s) are effective immediately from the date of the decision.
  2. If the Charged Student appeals in any other case, once an appeal is requested, the sanction(s) will be stayed and will not take effect until the appeal process has been completed. Under these circumstances, a Charged Student shall remain eligible to attend classes and University activities pending the appeal.
  3. If a Charged Student's privileges are temporarily revoked through an Interim Suspension and the Charged Student is subsequently found not responsible for the violation, the University must to the extent possible:

- i. Correct any record of the change in enrollment status in the Charged Student's permanent records and reports in a manner compliant with state and federal laws; and
- ii. Refund to the Charged Student a pro rata portion of any charges for tuition, and out-of-state fees, as appropriate, relating to the temporary revocation or suspension which affected the Charged Student's ability to attend classes for more than ten (10) Business Days.

4. If no appeal is requested, the sanctions will take effect immediately.

f. **Appellate Review/Decision:**

1. No person may hear or decide an appeal if they conducted or participated in the Code proceeding being reviewed on appeal.
2. The Appellate Officer shall first determine if sufficient grounds for the appeal exists and then, if so, may either deny the appeal, thus sustaining the initial decision and sanction(s), or do one of the following:
  - i. If the basis of the appeal is that the severity of the sanction was disproportionate to the nature of the offense and the Appellate Officer finds the appealing party proved their allegation, the Appellate Officer may modify the sanction.
  - ii. If the basis of the appeal is that there was a failure to follow the Student Conduct procedures that substantially affected the outcome, or that there was new information which was not reasonably available at the time of the hearing and could not have been discovered through the exercise of due diligence, which would have substantially affected the outcome and the Appellate Officer finds that the appealing party proved their allegation, the Appellate Officer will order a new hearing.

- b. The release of Student Conduct-related records will be governed by applicable federal and state laws regarding the privacy of education records.

- c. The SCCR may place a Student Conduct hold on the records and registration of any Charged Student who has a pending Code matter, including any outstanding sanctions. Charged Students may not be allowed to graduate, receive grades, nor have transcripts released until pending matter(s), including any outstanding sanctions, are resolved.
- d. The official University email address on file with the Registrar's Office will be used for all Student Conduct correspondence sent to the Charged Student. For Student Organizations, the official University email address on file with the Registrar's Office for the organization's respective President will be used. The Hearing Officer may, in their discretion, decide to send the notices via additional means (e.g., overnight delivery) and/or to other authorized University Officials.
- e. Expulsion will be noted permanently on a Student's academic transcript. Suspension will be noted on the Student's transcript during the period of suspension. Student Conduct-related files are kept in compliance with General Records Schedule GS5, but not for less than seven (7) years from the date of the last incident(s) that the Charged Student or Student Organization was involved in that resulted in Code charges. However, in the case of expulsion or suspension, the files shall be permanently retained.

## **22. CONFLICT RESOLUTION**

- a. Not every matter processed through SCCR is required to go through summary resolution or a hearing. An overall goal of the SCCR is to provide a learning process which entails understanding and respecting the rights of others. An avenue utilized by the SCCR to foster mutual respect and understanding when differences arise is Conflict Resolution. Conflict Resolution through SCCR is an informal and confidential process.
- b. Conflict Resolution may be utilized where the incident in question is minor in nature, and the parties involved chose not to proceed with charges through the University Student Conduct system. The SCCR reserves the right to determine if charges will be filed or whether Conflict Resolution is the appropriate option in each matter.
- c. Conflict Resolution cases handled through SCCR will not be identified or filed as a Student Conduct matter. Conflict Resolution records will be maintained separate from Student Conduct files and will not be recorded or reported as part of a Charged Student's record. All Conflict Resolution files are confidential and will not be released without written consent except in cases where the conduct or

behavior is a repeat offense. In repeat cases, this information is only released to the Hearing Body and only used if the Charged Student is found responsible for a violation of the Student Code of Conduct.

- d. Conflict Resolution files are kept for seven (7) years from the date of the resolution.
- e. Incident(s) considered serious in nature, and consequently not suitable for Conflict Resolution, include, but are not limited to, sexual misconduct, endangerment, personal abuse, hazing, a crime of violence, illegal drugs, alcohol, weapons or other violations of federal, state and local ordinances.
- f. Participation must be voluntary, and either party can request to end Conflict Resolution at any time which may result in the initiation of the Student Conduct process for the behavior.
