TODAY'S MODERATION

Had it not been for truth, there would be no law. Had it not been for law, there would be no truth. The two are inextricably connected, and the one cannot exist without the other.

—Anonymous

The Simpson trial, 20 years later

DARRELL E. OWENS

Opinion Writer

As a once in a generation football star, O.J. Simpson was an absolute legend. The story of his trial was synonymous with the state of American justice.

But the Simpson trial was more than just a story—it was a reflection of our society and our values. It revealed the fallacy of the American justice system and the importance of a fair trial for all.

The trial was a turning point in the history of American justice. It showed that even the most powerful and influential people are not immune to the fallacy of the American justice system.

Today, the Simpson trial serves as a reminder of the importance of a fair trial for all. It is a lesson that we must never forget.
