This application is for Continuing Students who wish to request reclassification from a "non-resident for tuition purposes" to a Florida "resident for tuition purposes."

Residency for tuition purposes is governed by the Florida State Statute 1009.21 and the Board of Education Rule 6A-10.044, Florida Administrative Code.

The College of Law will evaluate all documents submitted and is authorized to make decisions regarding residency for tuition purposes within the bounds of the law. This document is provided as an informational resource and in no way replaces or supersedes Florida State Statute 1009.21, Board of Education Rule 6A-10.044, or the Board of Governors Rule. The Florida Residency Requirements for Tuition Purposes are available online at <http://www.flbog.edu/forstudents/ati/resrequirements.php>.

The College of Law cannot make exceptions to the guidelines set forth by the state. This includes exceptions based on financial hardship or other extenuating circumstances.

All applicants should submit the Residency Reclassification Application by the **appropriate semester deadline** indicated on the [Academic Calendar](#).

**REQUESTS SUBMITTED AFTER THE PUBLISHED DEADLINE
WILL BE CONSIDERED FOR THE FOLLOWING TERM.**

A person may be a "legal resident" of Florida, as outlined in Florida State Statute 222.17, and also be considered a "non-resident for tuition purposes" under Florida State Statute 1009.21. Residence in Florida must be for the purpose of maintaining a bona fide domicile in the State. ***Living in and/or attending school in Florida will not, in itself establish legal residence. All supporting documents must be dated at least twelve months prior to the first day of class*** for the term in which the student is requesting reclassification.

Submission of this application does not guarantee reclassification. Approved residency reclassification applications will not be applied retroactively to previous terms. Changes in residency classification are approved for future semesters only. **All sections of this form must be completed and signed by the applicant/claimant. Supporting documentation is required and should be attached to the application.**

The Residency Reclassification Application should be submitted to **the Registrar's Office, College of Law, RDB 2015.**

Applicants will receive notification by FIU e-mail regarding the decision for reclassification. Please direct your questions to Donna Yff at yffd@fiu.edu.

Residency for tuition purposes is based **solely on one individual/claimant**. A **dependent student** claims Florida residency through a parent, while an **independent student** claims Florida residency with himself/herself as the claimant.

Dependent: A person, whether or not living with his or her parent, who is eligible to be claimed by his or her parent as a dependent under the federal income tax code.

Students who are **dependent** on or claimed as a federal tax exemption by parents who live outside Florida are presumed to be legal residents of the same state as their parents and are **not eligible** for in-state tuition. Monetary gifts, personal loans or financial support in the form of room, board, or other expenses from the student's parents, other relative, a significant other, or friends demonstrates that the student lacks independence and is financially dependent upon others.

Independent: A student who provides more than 50 percent of his/her support (cost of enrollment). A person may also be independent if he/she meets one or more of the following criteria:

- Student is married.
- Student is at least 24 years of age by the first day of classes for the term seeking reclassification.
- Student is currently serving in the United States Armed Forces or is a veteran.
- Student has dependents (children) and provides more than half of their support.
- Student is pursuing a master or doctoral degree during the term in which student is seeking reclassification.
- Student is or was (until age 18) a ward of the court.
- Both of the student's parents are deceased.
- Student is classified as an Independent person by the Financial Aid Office.

Please select **ONE** of the following list by placing an **"X"** in the box to the left:

	I am an independent person and have maintained legal residence in Florida for at least 12 months. No one claims me as a dependent.	Required: copy of your most recent tax return (signed) with W 2s. If you are under the age of 24, you must also provide copies of your parent's most recent tax return.
	I am a dependent person and my parent/legal guardian has maintained residence in Florida for at least 12 months. "Parent" means either or both parents of a student, any guardian of a student, or any person in a parental relationship to a student.	Required: copy of your parent(s) or legal guardian's most recent tax return, signed.
	I am a dependent person who has resided for three years with an adult relative other than my parent or legal guardian, and my relative has maintained legal residence in Florida for at least 12 months. However, with respect to a dependent child living with an adult relative other than the child's parent, such child may qualify as a resident for tuition purposes if the adult relative is a legal resident who has maintained legal residence in this state for at least 12 consecutive months immediately before the child's initial enrollment in an institution of higher education, provided the child has resided continuously with such relative for the 3 years immediately before the child's initial enrollment in an institution of higher education, during which time the adult relative has exercised day-to-day care, supervision, and control of the child.	Required: copy of relative's signed tax return for the past 3 years.
	I am married to a person who has maintained legal residence in Florida for at least 12 months. I have established legal residence and intend to make Florida my permanent home.	Required: copy of your spouse's most recent tax return (signed) and marriage certificate.

Florida law allows some applicants who have not maintained a bona fide domicile in Florida for the requisite 12 month period to be classified as a Florida Resident. Please review the **Exception Categories** listed below and mark any that apply by placing an “X” in the box to the left. **If you do not qualify under an Exception Category, please leave this section blank.**
